### Creating Beautiful Quality Statuary with Fidelity and Integrity

For three generations at Santa Teresita, our skilled artisans consistently create beautiful devotional statuary for churches, chapels, schools, hospitals, and private homes. From start to finish, each piece is produced in our studio in Peru, with careful attention to every detail. All of our statuary can be customized with colors and finishes to provide complete customer satisfaction. We can even provide a degree of alteration to our stock models. One of the hallmarks of Santa Teresita is our ability to provide custom statuary of almost any size. If a customer desires a particular statue with specific dimensions, from a simple photograph, Santa Teresita can create a one-of-a-kind masterpiece.

Our statues are hand-painted in oils with bronze leaf decorative accents. We can even add glass eyes for striking realism. Another unique capability of Santa Teresita is to create quality hand-carved statuary and Stations of the Cross from wood.
